HAPPY 25th ANNIVERSARY TO US!

Moving day had the **WOW** factor as Habitat's 75th house was moved from Ascend Performance Materials plant site to its "forever home" at 319 Denver Place.

What a day! Blue skies and clear sailing meant a flawless trip to our Habitat subdivision. The trip saw teams from Hollis Kennedy House Movers, Decatur Police Department, Decatur Utilities, Joe Wheeler Electric, AT&T, Temple Electric and Charter Communications working together to accomplish a common goal. Ascend employees and contractors have been hard at work since the beginning of September. First they had a dream, and then they built a house which is now "home" for Pancho Montano and his family. Everybody wins!

Hurrah for Early Risers!

August 19th was warm and sunny but the Hard Hat Breakfast attendees (more than 100 strong) had no idea because the sun was barely up at 6:30 a.m.!

Habitat Board members and staff were pleasantly surprised to welcome a room full of Habitat supporters for our 1st Annual Breakfast. Attendees were treated to a tasty breakfast from Albany Bistro, a heart-rending story of sadness & success from homeowner Jennifer Chambers and an inspiring talk from Valley Rubber President, Cronan Connell.

We were overwhelmed by the positive response of our donors. We are already making plans for 2016 and hope you will join us!

See more photos for both events on page 3.

My, how time has flown! We just got through with summer, got the kiddos back in school, and now it's time to think about the upcoming holidays. This fall, we're thankful for all of our shoppers and donors who make it possible to build houses for our Habitat families. We're also grateful for the new paint up in our foyer and break room, thanks to volunteers from BBVA Compass.

Come shop with us to get your house all "decked out" for the holidays. We hope you and your family have a blessed Thanksgiving, and a very Merry Christmas.
